cx: Minister of Public Works W. H. Cushing had understood all along that the Waterways people were being dealt with as they have been dealt with and that the deal with them was to be closed up on the basis on which it was finally closed.

To say that Mr. Bennett had a hasty retreat from this subject is putting it mildly. He jumped right away from the other iron Minty in Woods, in which the writer had attempted to outline what he was pleased to term a "plan of campaign" which was entirely ignored by the government and attempted to bring Woods and the government upon a scorn and ridicule through this letter. However, he did not succeed as Woods pointed out that the alleged plan of campaign had not been followed but that the Premier had gone east on his visit and never took the trouble to see Minty as the letter suggested he should.

Mr. Woods told of his meeting with B. R. Clarke, brother of W. R. Clarke, in Edmonton at the time of the second organization meeting; He met him in the Waterways office, having gone there during the progress of the meeting. He did not go to attend the meeting and as soon as he saw there was something he "had to do" he went after this, this being the trip to New York was made on the special train. Mr. Woods explained that it was necessary to have the bonds delivered personally by some government officials and he had taken M. J. McLeod along in order that they might have the money transferred from New York to Edmonton without cost. Mr. Woods told who the passengers on the special train were and said that the Clarkes who were paying for the train had told him that it was cheaper for them to get a special and reach New York in time than to get an extension of their agreement with the Morgans. Mr. Woods told of reaching New York and going to the Belmont Hotel. From there he telephoned to the Waldorf to see if Mr. Cross was there as he knew he always stayed at that hotel when he was east. Cross was there and was very much surprised to learn that Mr. Woods and Mr. McLeod were in New York also.

Mr. Woods was asked who went with him to see the Morgans in New York and he said the two Clarkes, Minty, McLeod.

"The Morgans agreed to all the terms," he said, "but I had a discussion with them as to how the money would be supplied."

Not only did W. H. Cushing, Minister of Public Works, see the letter from Premier Rutherford to W. R. Clarke, president of the Alberta and Great Waterways Company, in which he said the government would be pleased to introduce legislation to incorporate the Great Waterways road and guarantee its bonds subject to ratification by the Legislature but he approved of it before it was sent and was present and took a prominent part in the discussion at the meeting of the cabinet which finally decided to guarantee the bonds to the extent of \$200,000 per mile, and knew exactly what was being done in the matter at all times.

This evidence, under oath, was given by Dr. Donald Attorney-General Waterways afternoon, while being examined by R. B. Bennett, chief counsel for the insurgents.

"If Mr. Cushing says different, what then?" asked Mr. Bennett.

"He is saying what is not true," was the text of Mr. Wood's reply given clearly and fully and with no chance to misconstrue his meaning in any way.

It might be expected this strong statement caused some excitement and the crowd in the court room hung on Woods' words as he told of how

"Was anything said as to how the bonds were to be marketed?"

"The French representative of the Morgans gave me to understand that two thirds of the bond issue was to be marketed in France and that they expected to make some money out of putting the bonds on the market." Mr. Woods then told of the trip to Montreal and the conference with the Royal Bank officials, which was to settle the question as to whether the Clarkes and Minty were present. The bank officials wanted the government to enter into an agreement that the money received for the sale of the bonds would remain in their bank. To this Mr. Woods would not consent as he pointed out that there was no legislation to allow of it and a compromise was reached set out in the order in council on the files.

Mr. Woods was then asked where they went after this meeting and he told of going back to New York and the delivery of the first instalment of the money to the banks in New York who were acting as agents, and the subsequent arrangements for the transferring of the money to Edmonton without cost to the province.

Mr. Johnston then questioned Mr. Woods as to whether he ever heard of a guarantee for the Waterways less the \$200,000 paid by Dr. Waddell?

"I heard of an \$18000 guarantee as outlined by Dr. Waddell."

"Can't say that I did."

"Did you ever hear of a smaller amount of interest being discussed?"

"Only as I have indicated."

Mr. Bennett asked many questions as to whether the mortgages, agreements, etc., were the same in the Waterways case as they were with G. T. P. and C. N. R. Mr. Woods said that all the documents were based on the one act and that were identical.

Mr. Bennett then asked why it was necessary for so much fuss regarding the Waterways when the C. N. R. and G. T. P. were closed up so quickly and without fuss.

Mr. Woods said that the C. N. R. guarantee and mortgage had not been closed up until long after the Waterways deal and a great deal more correspondence had passed between the different parties in this matter in the Waterways deal.

Mr. Woods then explained the various documents on the files which were used in drafting the guarantee, the mortgage and other documents finally used in the deal with

the Alberta and Great Waterways Co. Several clauses, Mr. Woods said, were objected to by Mr. Clark had been referred to Mr. Cross, who insisted on them going in or the agreement would be called off. One of these related to the control of the rates, which is held by the government. Clarke objected to this, but it was put in the agreement with the government.

Archdeacon Gray in a few words expressed his sorrow that the pastor, who labored so hard for the building of the church, was with them as they sat in judgment. He said that latterly there was a difference seemed to be coming over the differences between the denominations, which he hoped would help to bring about a great union of all the churches. The Rev. Dr. Hunter, the future pastor of the Cabinet and thoroughly understood that the guarantee of \$200,000 was to be all over the line. He was sure of this because Cushing took a prominent part in the discussion and knew that if the road only cost \$15,000 to Lac La Biche, it would probably cost more from that point to Fort McMurray, and that the average of \$200 per mile would even this up. He was sure Cushing had not been very persistent about paying only on engineer's certificates and had thoroughly understood that the deal was to be closed up as it had been.

Mr. Johnston then questioned Mr. Woods as to whether he ever heard of a guarantee for the Waterways less the \$200,000 paid by Dr. Waddell?

PORTER STABBED C.P.R. CONDUCTOR

Serious Affair at Revelstoke Train
From Vancouver Which May
End Fatally.

Vancouver, April 22.—As a result of a serious stabbing affray, Conductor McKernan of the sleeping car department lies in the General Hospital in a serious condition, while C. M. Bryant, the colored porter, also employed by the C.P.R., is held in custody by the local provincial police. The wounded man was brought to the city yesterday afternoon. Dr. Weld, who made the first examination, found an abdominal wound and a superficial wound near the throat. Bryant, who was brought back to the city on a mail train, is a mulatto of medium height and weight, about forty years of age. He made no statement and later he was taken to New Westminster, where he will come up for preliminary hearing on the charge of wounding with intent. The row appears to have occurred shortly after this morning's Revelstoke train left the city and seems to have reached the stabbing stage near Port Bryant. A pocket knife is said to have been the instrument used.

Revelstoke, April 22.—Brooksville will have three less drinking places, the board today hearkening to the voice of the voters, who pronounced in favor of a license reduction and increased fees. The tavern license fee is increased in Brooksville from \$750 to \$800.

Toronto, April 22.—Stretcher. Stretcher, April 22.—The C.P.R. and C.N.R. have settled their differences as to the latter company's right of way through this town and the injunction granted the C.F.R. has been dissolved.

CRICKET CLUB HOLDS MEETING

A Strong List of Officers was Elected—Club has a Cash Balance on Hand to Commence the Season.

A meeting of the Edmonton cricket club was held in the Cecil Hotel last evening. The secretary-treasurer's report showed that there was a cash balance on hand. It is the intention of the club to try and obtain Diamond Park as a playing ground this year and a number of fixtures will be arranged with outside teams. The question of a trial to Winnipeg during fair week was brought up, but nothing definite decided.

The election of officers resulted as follows:

Hon. President—R. Secord.
President—E. C. Pardee.
Vice-president—A. G. Lucas.

Captain—A. H. Dickens.

Vice-captain—C. Y. Weaver.
Secretary-treasurer—W. W. Howe.
Committee—Messrs. Heathcote,
Capt. Worley, Dixon, Bowman, Allridge.

There are a number of new players in the city and prospects look bright for this year.

S. O. E. VS. HIBERNIANS

There will be a football match this evening on the Second Street grounds at 6:45 between the St. Georges and the Hibernians. The team to represent the latter club will be: Goal, King; backs, Hardy and Matthews; halves, Speakman, McNeil and Conneron; forwards, J. Martin, Grant, Martin, Herselong, and Houston.

MGR. LOHR GETS TWO WONDERS

Signs Isbell, a Brother of the old Standby of the White Sox—Rossback has Reported.

Two new men have reported to Manager Lohr of the Maroons. One is Rossback, the big pitcher, and the other A. Isbell, an outfielder, a brother of Frank Isbell, formerly with the Chicago White Sox. Lohr says these two men will burn up the Western Canada circuit. Isbell played last year with the End, Okla., team, champions of the Western Association. His record is: Took part in 111 games, made 107 hits, an average of .257 and scored 70 runs. Had 25 stolen bases to his credit, and made 27 sacrifice hits. On finding he only made 11 errors in a total of 186 chances, which gave him an average of .996. He certainly looks good.

IT WASN'T OUR DEACON

A telegraphic dispatch reads: "Dear Com. Resigns." It gave us a shock for a minute, but delving deeper into the news we learn that it was only some insignificant geek who is premier of Australia, and not Deacon White, our peerless baseball leader.

Lacrosse Comes High

Archie Adamson is said to be getting \$10 per week from the Vancouver team, so it looks as if Con Jones had an order to collect the cup and never six finished.

REGINA PICKS THEM DIFFERENT

In Saskatchewan it is the Opinion That Regina, Moose Jaw, Medicine Hat and Regina are the Contenders.

(Regina Leader)
From this distance it looks as if the teams Regina will have to beat for the pennant will be Moose Jaw, Medicine Hat and Calgary. Moose Jaw's particular strength lies in its pitching staff; Medicine Hat has Billy Hartman, while Calgary is sparing no pains or expense in getting together a winner. Edmonton, with Deacon White as manager, will be a different proposition from last year, while Chester Cox should make more energetic leader for Lethbridge than was Jack Corrigan. Winnipeg shows less improvement than any of the others, and on its present rating will do well to hold its first division berth. Brandon is the biggest problem. Bill Morrow was not a howling success at Dunfield, and he has so much new material.

Fishlander Won Marathon

New York, April 22.—Wm. Kollehammarin, of Finland, won the International Marathon race at Saratoga park, Brooklyn, last night, covering the regulation distance in 2:51.09, five laps behind was Will Davis, the Canadian Indian, who finished second with 2:51.50. Panzey, of Italy, a lap behind, Davis. Thirteen men started but only six finished.

WESTERN CAN. SCHEDULE '10

Edmonton Opens at Lethbridge, Then Plays at the Hat and Calgary—Huskies Open Here on May 16.

The long expected Western Canada League schedule is now at hand and will be found on page 2. By it Edmonton opens at Lethbridge on May 4, 5, 6, plays Medicine Hat on May 9, 10, 11 and hosts the Huskies on May 11, 12, 13 and 14. Returning here, Calgary opens the local season on May 16, staying here for four games. Edmonton gets all the holiday games at home. On Victoria Day Chesty Cox will visit us and play a double header, and Billy Hulen's champions are the visitors on Dominion Day for two games. The Eskimos play 40 games on the road and 59 at home, making a total of 105 games. Season opens on May 4th and ends on August 31.

The smaller cities, as last year, have fewer home games than the others.

Death of Bill Blunt

Cincinnati April 22.—An illness of several months ended last night in the death of Chas. T. O'Hara, 38 years old, widely known as a sporting writer under the pen-name of "Bill Blunt."

New York, April 22.—Among the eight players released by the Giants, Outfielder Keras, and Catcher Curtis, go to Montreal and Outfielder Shaw to Toronto.

ALBERT KERR IS VERY ILL

Was Operated on Yesterday for Appendicitis and Doctor has Strong Hopes for Recovery.

Ottawa, Ont., April 21.—Albert Kerr, of the Ottawa team, is critically ill at St. Luke's hospital. He was operated on yesterday for appendicitis, which has been troubling him all winter. Dr. MacKinnon performed the operation and Kerr is doing fairly well. The crisis of the case will develop tomorrow and Dr. MacKinnon has strong hopes of the recovery of the great wing man who was the sensation of the 1909 season.

WORK OUT AT DIAMOND PARK

The Infeld Played With Much Ginger—Heuson, Eron, Calgary, May Sign as Catcher.

The balmy weather yesterday suited the players a nicely and the way they played was a source of delight to the fans. Major Leder, Schatz and Baxter in the infield displayed an amazing amount of ginger and played with hardly an error. The infield is in excellent shape, and needs a heavy rain to level it off.

Mills, at third, played with more confidence, and consequently played a vastly improved game. With more certainty in handling ground balls, he will be a fixture on third. Morse and Schultz will prove up above the best fielders in the league. They work together like a well-ordered piece of machinery and their pegging to first could not be improved upon. Moose Bauer is the veteran of the infield and his coaching is very much appreciated by the others.

Hill, at shortstop, is a mystery, who has signed with Chicago, as manager, is very likely to be seen in an Edmonton suit. He is a catcher, and if his terms are reasonable, will be brought here immediately. Burridge has not been heard from, and should have a good fine clapped on him when he does arrive. His non-appearance has practically deprived the four pitchers now on hand of a week's work. A letter was received from the Havergill team of the New England league, offering to buy Burridge, but the club replied that he was not for sale. He will play here this season or not at all.

Paddy Moran, who did such brilliant fielding stunts in the left garden last season, is anxious to return here. If Morrell and Rane report there is not much chance for Paddy, as he looks about the weakest of the following quintet: Morrell, Rane, Luis, Olsen and Moran.

Deacon is making arrangements for a couple of exhibition games next week, to relieve the tedium of the daily practices. From the present outlook he will have to carry his staff of six pitchers for a week or so, after the season starts, in order to get a line on their ability.

Moose Jaw will have brand new Robin Hood uniforms this season, the gift of the Saskatchewan Flour Mills Co. The colors will be green and white. Sad to say, these nice new suits will only be worn at home, and the road uniforms will be of the vintage of 1909.

The Brandon Daily Sun printed a baseball extra last Monday in order to inform the citizens that their ball team had been defeated by Rockford, Wis. Pitcher Wing, did not live up to his name, and was as wild as the proverbial March hare. "His" Bill Morrow's bunch show better speed than is generally seen in Class C. ball. That is, in spots.

It is now certain that the Maroons will not get Prendergast, and Free Sioux City was willing to let these men come here, but the boys wished to play nearer home.

THE CHOICES FOR THE DERBY

Though the Classic Event is a Long Way off, the English Public Picks Lemberg, Neil Gow and Adm. Hawke.

The general public has been interesting itself of late in the probabilities for the Derby, but the date is too far away to sum up the possible chances of the candidates. Just now there are only about three in the public eye for the big Epsom classic and they are Lord Rosebery's Nell Gow, Mr. Fairie's Lemberg and Major Loder's Admiral Hawke. Admiral Hawke is the most likely one to be chosen, two favorites being the Mountstuart stakes and earlier in the Middle Park Plate, but the impression was that he was travelling a bit lazily. Frank Wootton has been engaged to ride Lemberg in the race. Maher had his choice between this horse and Nell Gow and it is said he preferred the latter, for riding whom he is to receive £4,000 win or lose. This is probably a record fee.

MAROONS WILL BE VERY STRONG

Lohr Figures That his Team has Been Strengthened in Every Department.

Winnipeg, April 21.—Let the other managers and teams rate us as they please, we will find when the season opens that the Maroons will display baseball knowledge and baseball strength. We are not worrying about the other teams. We are satisfied with the prowess of the men we have on our roster." So spoke Manager Frank Lohr, last evening when asked about the criticism of the western papers, which relegated Winnipeg to the second division.

"How does your team compare with that of last year?" was asked.

"We will be much stronger," said the manager.

"Wherein does your strength lie for the coming season?"

Answer—In every department. Our outfield will be decidedly stronger, our infield will be faster and our pitching staff will be much in advance of last year's standard. Our play last year was not all what it should have been. In the selection of new men I have been careful to secure men who can wield the wagon tongues. Rely on me, we will make the best of their hustle to keep us out of first position." So saith the Maroon manager and Winnipeg fans should sit up and take notice.

Manager Lohr does not think the present condition of the weather will continue and therefore he has decided to call off the tentative arrangements entered upon to secure a gymnasium for practice purposes. He feels that the men will be able to report for practice at River Park Wednesday afternoon.

"See those fellows sitting around here," said the little manager; they are all on their nerves to get into uniform and start on the season's work. "Why that man Anderson over there has been tossing the ball in his bedroom and I have had to call him down. All the boys are anxious to dig out the old uniform and get in the game."

Rain and snow has stopped the progress of the work in cutting the new diamond, but as soon as the field is fairly dry, work will be continued so as to have the fielding ground in perfect shape for next week.

The question of umpires is a vital one this year, and the men with the indicators will have to be on the job and fewer players will be called in to officiate. Last year only two officials were paid £100 for a game, but they did not get reimbursed for their services. The umpires who were derelict in their duties received their pay in full, while the players who took on their duties received nothing but abuse.

It is expected that under the new management umpires not on hand will be docked and their pay handed over to the substitute official.
